Despite these days of holidays two new creatures spawners are ready to entertain you with duels and battles.

Straight from the Caribbean Seas a nasty, dirty and fiendish crew of Pirates have reached Total War shores, and you'd better draw your blades if you run out of rum!!!

From the ancient far eastern battle grounds strange creatures are risen, an army of Undeads Samurai, whatch out their Katanas and go to kill them all (again)!!!

New Spawners in store
